Volunteer Opportunity Family Court Accompaniment “Women Supporting Women”

Navigating the Family Court system can be difficult, confusing, and overwhelming. For women who have experienced abuse in their relationship, this process is intensified. Imagine what it would be like to go through this process alone.

The Family Court Support Program, offered through the Sexual Assault Support Centre of Waterloo Region (SASC), provides empowerment-based support to women who have experienced any form of abuse in their relationship as they journey through the Family Court process.

SASC is actively recruiting volunteers with daytime availability to provide non-judgemental, immediate emotional support to women through accompaniment to family court proceedings.

Volunteers with a mature outlook, a calming presence, and diplomacy skills are invited to inquire. Experience with the Family Court process is not necessary. Training is provided.

The Family Court Support Program does not provide legal advice or replace advice from a lawyer.
