

Board of Directors Opportunity Sexual Assault Support Centre of Waterloo Region

The [Sexual Assault Support Centre of Waterloo Region](#) is seeking women and gender-diverse volunteer leaders within our community to help us advance our mission as Board members.

SASC supports survivors of sexual violence. We listen, facilitate healing, and celebrate resiliency. Using an anti-racist, intersectional feminist approach, we work to transform systems which promote gender-based violence.

We're a Governance Board focused on [mission, values](#), objectives, strategic planning, effective achievement of goals, and efficient utilization of resources. Day-to-day operations are delegated to our Executive Director.

We especially encourage applications from candidates who are Black, First Nations, Metis, Inuit, racialized, members of the 2SLGBTQIA+ community, those with lived-experience, and other equity-deserving groups.

We're in search of board members who:

- Are critical-thinkers, familiar with principles relating to not-for-profit governance, financial management, human resources, and/or law;
- Are well-connected in Waterloo Region and are prepared to engage their networks in support of our work;
- Are prepared to support our philanthropy initiatives including engaging prospective donors/sponsors;
- Are prepared to identify and participate in the recruitment of new Directors;
