FUN RUN!
SATURDAY, OCTOBER 23, 2021**

This exciting event will take place on Saturday, October 23, 2021. Participants will be challenged to sign up, collect pledges and run, walk or roll 5K in their Halloween best! Participants can choose their own run route, and join in on the fun from anywhere in the world. Here are some more highlights:

- Participants raising \$100 or more (by October 1) will qualify for a Run Kit with sponsor-branded swag, a ballot to enter a prize draw, and more goodies.
- We will have prize challenges leading up to the main event to engage our participants and grow support.
- We will highlight our sponsors in a variety of ways - on social media, through our website, and on sponsor branded swag!
- On Run Day, we will have a Facebook Live Launch at 12:00 p.m., hosted by our Executive Director with words from our Platinum sponsors. This year, we may shift the Launch to an in-person format if COVID restrictions allow.
- Using the hashtag **#SASCFunRun**, we will flood social media on Run Day with fun images of participants as they run across our region and beyond, all in the spirit of raising funds for local survivors of sexual violence.

ABOUT SASC

For more than 30 years, SASC has been a place of healing and hope for survivors of sexual violence in Waterloo Region.

We provide wrap-around support including counselling, support groups/workshops, and accompaniments to court, the hospital, and the police station. We're available any time of the day or night through our 24-Hour Support Line. We support all genders, 16 years of age and older, who have experienced sexual assault at any point in their lives. We advocate at the individual and systemic levels to create change.

WHY WE NEED YOUR HELP

We're there when someone has experienced the darkest time in their life. But, today there is a challenge we are facing...

Due to the #MeToo movement, and faced with the additional challenge of a global pandemic, our waitlist has reached an all-time high.

In the post #MeToo movement, we have been overwhelmed with calls for support. Five years ago, 40 survivors on our waitlist would have been a crisis; we now have over 130. And the need is only growing.

We know that in times of natural disasters, such as pandemics, cases of sexual violence only increase. We also know that survivors face increased challenges. Anything from isolation, to safety concerns, can threaten to disrupt the healing journey.

The increased need for support, initially brought upon by a cultural shift due to the #MeToo movement, is now compounded with a public health crisis. Requests for help from our Centre continue to come in record numbers.

Nevertheless, we persist because we fiercely believe in our vision of a world without sexual violence and oppression. Will you join us in making a difference?
